Information about our pupils that we hold will include their contact details, national curriculum assessment results, attendance information¹, any exclusion information, where they go after they leave us and personal characteristics such as ethnic group, any special educational needs they may have as well as relevant medical information. For pupils enrolling for post 14 qualifications, the Learning Records Service will give us the unique learner number (ULN) and may also give us details about your learning or qualifications.

In addition once our pupils reach the age of 13, the law requires us to pass on certain information about them to the local authority and provider of youth support services in our area who have responsibilities in relation to the education or training of 13-19 year olds. We provide them with these pupils' names and addresses, dates of birth, names(s)/address(es) of their parent(s)/guardian(s) and any other information relevant to their role. We may also share certain personal data relating to children aged 16 and over with post-16 education and training providers in order to secure appropriate services for them. A parent/guardian can ask that no information apart from their child's name, address and date of birth be passed to our local authority and provider of Youth Support Services in our area by informing Lauren Calver in the school office This right is transferred to the child once he/she reaches the age 16. We are required by law, to pass certain information about our pupils to our Local Authority (LA) and the Department for Education (DfE).
