This policy is reviewed and updated annually to ensure that non-examination assessment at Ancora House School are planned for and managed in accordance with current requirements and regulations.

References in this policy to NEA and ICC refer to the JCQ documents **Instructions for conducting non-examination assessments** and **Instructions for conducting coursework**.

Introduction

Non-examination assessments measure subject-specific knowledge and skills that cannot be tested by timed written papers.

There are three assessment stages and rules which apply to each stage. These rules often vary across subjects. The stages are:

- task setting
- task taking
- task marking (NEA 1) The regulator's definition of an examination is very narrow. In effect, any type of assessment that is not 'externally set and taken by candidates at the same time under controlled conditions' is classified as non-examination assessment (NEA).

'NEA' therefore includes, but is not limited to, internal assessment. Externally marked and/or externally set practical examinations taken at different times across centres are classified as 'NEA'. (NEA, Foreword).

Purpose of the policy

This policy confirms the JCQ requirement that Ancora House School has in place for inspection that must be reviewed and updated annually, a written policy regarding the management of non-examination assessments including controlled assessments and coursework.

Awarding bodies require centres to have a non-examination assessment policy in place to:

- cover procedures for planning and managing non-examination assessments
- define staff roles and responsibilities with respect to non-examination assessments
- manage risks associated with non-examination assessments (NEA 1)
